Procedures

The following is a step-by-step guideline of how a complaint will be dealt with, once received by us:

1. The complaint will be lodged in our central complaints register on the same day that it is made and confirmation of receipt forwarded to complainant.
2. The complaint is immediately brought to the attention of the Compliance Officer for allocation to a trained and skilled person who specialises in that type of complaint.
3. The complaint will be investigated and we will revert to the complainant with our findings within 1 (one) working day.
4. In the event that a complainant is not satisfied with our solution, he/she may refer the complaint to the Key Individual of our business.

The referral to The Office of the Ombud must be done in accordance with the provisions of section 21 of the FAIS Act and the rules promulgated in terms of that section.
